ALWAYS an enjoyable (and long) parade in Toronto. The crowds are always very appreciative at this annual event.

## PERFORMANCES

**SIMCOE – “AND THE BANDS PLAYED ON”, APRIL 16** *Our 2011 performance season started on April 16th with United Alumni’s 7th Annual “And The Bands Played On...”. The first performance of the year is always a thrill and this year’s show was no exception. Even though this year’s event was almost a month earlier than usual all of the corps were ready and the audience responded with great appreciation. What a wonderful start to the year! A big “Thank You” to the organizers for all of their efforts.*

**WOODSTOCK, MAY 23** *May 23rd took us to Woodstock for their annual Victoria Day parade and Band Tatio. Sam had passed away just the day before so it was a sad day for our Alumni Corps. In memory of Sam, we began our show with a moment of silence. Talking to members of the other corps really brought home the sense of camaraderie that exists within the drum corps community. This year the Northstar guard joined us in the parade. Check out the photos for a fantastic shot of them in the parade.*

Rick joined the Sigs in 1985 and stayed for 25 years and is now marching with The Optimist Alumni. This will be a great experience and Rick hopes have many more years in drum corps and make new friends.

Vern began drumming competitively at the age of 9 with the Conquer 2 Drum and Bugle Corps. The corps toured all around the USA. He is now part of the Optimists Alumni and Impact Percussion. Vern has performed at the Much Music Video awards and is in the new Classified music video. Vern has also preformed with the band Down With Webster.

### Associate members

**Frans Rood, Support Staff**

Frans was a member The Columbus Drum Corps from 1957 and in 1960 he joined The Toronto Optimists. He played bass drum in the most "incredible drum line". One of his biggest highlight in the corps was beating "Sac" (Blessed Sacrament Golden Knights) in Rome, NY in 1962. He left the corps at end of the 1963 season to join the Metro Toronto Police Force. Frans was Corps and CDA (Canadian Drum Corps Association) photographer in 1967. He joined the Alumni corps in 2005, and resigned in 2008 for health reasons.

**Brian Hogan**

Brian is a charter member of the Optimists Alumni and played baritone for four years, before being appointed as Drum Major in 2007. In 2008, he reached the pinnacle of his drum corps career when he had the opportunity to work with his drum major mentor, Vern Johansson. Now, as an Associate Member, the Corps is never far from Brian's thoughts and he looks forward to those occasions when he can be with his corps-mates again. Brian and his wife Sue live in Ottawa.

Mrs Baggs loaned Phil Hennings a bunch of articles from various drum corps publications. These articles cover the years 1958 and 1959. Here are some extracts from the reviews for 1958. In addition to the “unbiased” reviewers, we’ve included excerpts from Toronto Optimist Harry Clark (who wrote for Drum Corps News) as well as comments from whomever was writing the “Scout House Shorts” articles. We hope that you enjoy this unique perspective of the Toronto Optimists first year in competition.

### FROM ON PARADE, MAY 1958

THE OPTIMIST JUNIOR DRUM AND BUGLE CORPS, known as “The Optimists”, is sponsored by the Optimist Club of Toronto. They have been in operation for several years as a parade corps and in 1957 took first place in all stand-still contests. This included the Kiwanis Music Festival, the London Music Festival, Waterloo Music Festival and the Canadian championship at Galt, Ontario, Canada.

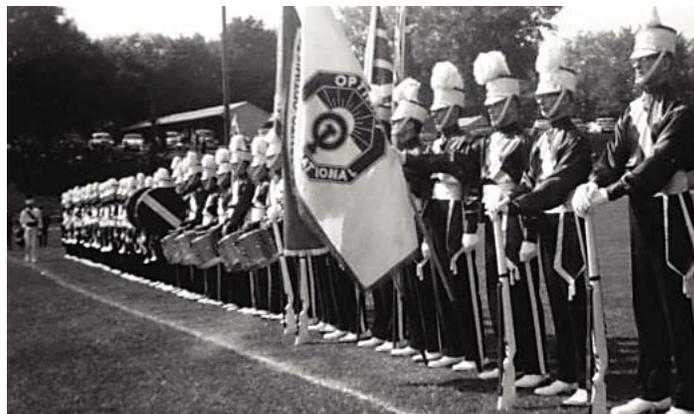

This year The Optimists are moving into the M&M class with a greatly expanded corps, new uniforms, new music, a most exciting drill and the best of instructors. The new uniform consists of emerald green blouses, black trousers with white trip, pearl shakos with green trim, chrome fittings and white plumes.

There has been a rumour around Ontario that The Optimists have combined forces with Danforth Crusaders. Such is not the case. Danforth’s very capable instructors made a change to The Optimists corps and quite naturally some of the boys came with them. The present enrollment is 51 and this includes some bandmen from several corps as well as the original “Opti-Corps.” They will field a 44-man corps including a 7-man colour guard. It is hoped that many of the corps’ U.S. friends will be able to see it in action, not only in Canada, but across the Border as well, this coming season.

### DRUM CORPS “WORLD NEWS” – TORONTO, OPTICORPS, THE OPTIMISTS Toronto , CANADA, MAY 31 [1958]

Our jump from Class “B” standstill to Class “A” M & M is a success, as our first contest is now past history and in it we placed second among many experienced corps. A wide open, fast moving, drill and swinging concert had the crowd stomping and clapping. We came off the line with “When You’re Smiling”, into “Song Of The Vagabond”, “Optimist Theme”, “Big, Wide, Wonderful World” and “Wrap Your Trouble in Dreams”, Then the concert of “Hello Young Lovers” and “In The Mood”. After the concert, “The World Is Waiting For The Sunrise”, “Columbia Gem Of The Ocean”, “Zippety-Doo-Da”, and “Till We Meet Again”.

We were very pleased with our results and know that when our show has been polished and our fronts straightened we will rate much higher on the score sheet. After we left the floor it was announced, much to our surprise, that the corp s had been invited to compete at Batavia , NY... among New Jersey’s finest. This opportunity will afford us the much needed experience we require as we strive to perfect our

show. However, between now and May 31st we must learn four new numbers and maneuvers, from the concert on. This looks like we’ll be burning the midnight oil at rehearsals. (Harry Clark)

### DRUM CORPS WORLD: JUNE 1958

The ‘Optimists’ corps from Toronto put on such a stirring performance at the “Spring Tournament” that they were asked to take part in St. Joseph’s contest on May 31st.

The 1st real threat to send Scout House tumbling is the appearance on the Canadian scene of Toronto’s OPTIMISTS CORPS. These kids are gaining rave notices north of the border and many fellow Canadians have them a sure bet for top-dog in that sector.

### AUDUBON WINS SEVENTH ANNUAL SR. JOSEPH’S DRUM CORPS COMPETITION. BATAVIA. N.Y. MAY 31st

Optimists competed against AUDUBON, HOLY NAME, ST. VINCENT’S in Batavia NY. May.31st and this, to our knowledge, is the first time a Canadian Jr. Corps has vied with A Class American Juniors on American soil. Although OPTIMISTS placed 4th they feel that the experience was valuable and are confident of fast improvement from this point on. Their full show was put together barely in time for this contest.

### SCOUT HOUSE SHORTS: JUNE 1958

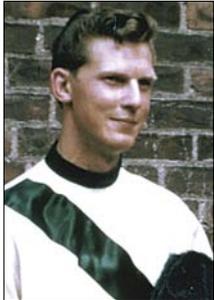

In bottom spot was the Optimist Corps from Toronto, for the first time in American competition and I might say did a very favourable job. These boys have a lot on the ball and their appearance and deportment was very impressive. I hear it was the details that beat them but when they polish those off, look out – everybody! (Com’n fellows, we can’t let the girls beat us... ahem...)

The Optimist Corps were right on keel this night and had they not been the host corp it might have been a sad day for Scout House.

The newly formed Opti-Corps from Toronto were breathing down our necks, in second position.

### **DRUM CORPS WORLD: AUGUST 1958 (FALCONER SHOW)**

Although we (Scout House) came up with the gravy. It was by mere .2 of a point. – You corps’ fans will note – the Optimists of Toronto are very close to Scout House, and so many rumours have been spread that they’ll beat us at the Canadian Championships. I’d like to give a brief explanation

*Phil Hennings,  
Drum Major, 1958.*

of our slight mid-season slump. I can only say best of luck to you. Opti Corps members, who we Scout House fellows admire very much and in the coming months (I hope) will prove that we still have the old esprit de corps. This month, I take off my hat to the Optimist Corps of Toronto for their great sportsmanlike manner. Even though beaten four times by Scout House, they have tried even harder to come out on top and if they keep it up

there might be some astonishing results. (As a Scout House fan, I hope not.) Good Luck. Guys. Your behavior over the past month gives you my vote as the Sportsmanship Corps of the month. So long for now. everybody, but come Sept. you’ll hear more news from the Canadian scene (*Scout House Shorts*).

Second corps of the evening was the from-out-of-nowhere sensation, the Optimists of Toronto. This corps has really captured my fancy, as well as that of the two American audiences they have appeared before. Their wide open drill, beautiful horns, marvelous execution, and overall spirit and enthusiasm had the crowd going wild over them. Their show fairly crackles with color and zip, and they look so sound more like a Class A senior outfit than a junior corps. They out pointed first place Scout House in all field captions<sup>o</sup>, as well as GE M&M, but finished second primarily because of Preston’s commanding lead in GE Drums. This was their second American Contest. and the calibre of their performance merits many more. (*Bob Mannhardt*)

### **1958 HOLD YOUR HATS!!! CANADIAN NATIONAL JUNIOR TORONTO “OPTIMISTS”**

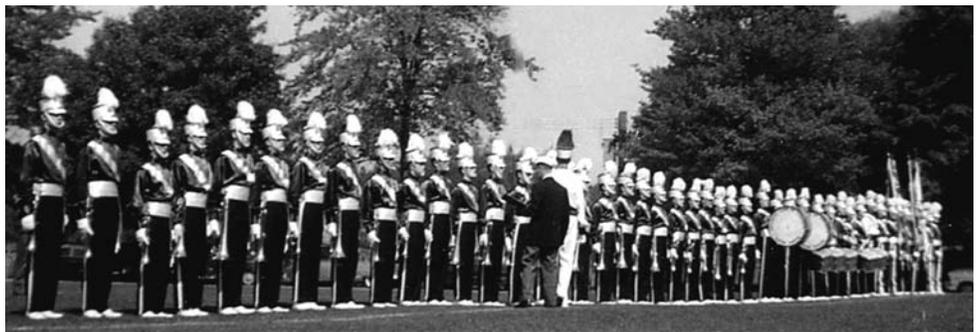

For the first time in five years the SCOUT HOUSE BOYS were defeated in the Canadian National Championships. This was accomplished by the Toronto Optimists Junior Drum and Bugle Corps.

Although the “Optimists” are well known as a standstill corps, this is their first year as an M&M corps. Winning the Canadian National Championship alone is a “dream come true” but to emerge the victor in a contest including the famous Preston Scout House Boys is a double honor and one which the “Optimists” can well be proud of. The Drum Corps World salutes the TORONTO “OPTIMISTS”. Canada can very well gloat over her internationally known junior drum and bugle corps, THE OPTIMISTS and the SCOUT HOUSE BAND.

### **DRUM CORPS WORLD: OCT.1958**

Sept. 13, Galt, Ont. – Today the Canadian drum corps world was stood on its ear and shaken to its foundations when the previously invincible Preston Scout House was defeated on their home field by the fabulous Toronto Optimists in the annual battle for the Canadian Junior National Championship. In accomplishing what had come to be thought of as an impossible feat, the Optimists firmly established themselves as the Miracle Corps of the year, because just one year ago, this corps was a Class B standstill unit.

Following the end of last season, they acquired new men, new instructors, new equipment, new uniforms, new music, and a new goal to shoot for. In their first M&M contest they placed second. At Batavia, N.Y., they amazed the audience with their performance, and prompted “Rochester Drumbeat” to acclaim them as an excellent bet to win the Canadian National Championship. At Falconer, N.Y. they were only 1/4 of a point behind Preston. beating Scout House in all field captions. And now at Galt they have reached the pinnacle of success in their freshman year of M&M, a victory that is nothing short of fantastic. I venture to say that no corps in Canada looks forward to the coming year with greater eagerness or enthusiasm than the Optimists. But whatever glories are to be theirs in the future, none will ever eclipse or outshine that thundering moment when the P. A. system announced...“and in second place, Preston...”

*“Inspection” at the Canadian Championships, Galt, Ontario, 1958.*

The winning Optimists were on second. and my notes read “marching dazzling, horns brilliant. Articulation. Dynamics, intonation all the best”. That says it all. They really had It, in spades.

## WE REMEMBER

### Sam Grosvenor, 1962 - 2011

The fates were kind to both Sam and The Optimists Alumni the day he pulled his convertible into the driveway at The Legion in 2009 to turn around. He could clearly hear the sound of our horn line rehearsing through the open door and he was immediately bitten by the drum corps bug once more. From the moment he walked in he was back and he never left again.

Originally Sam started in The Etobicoke Optimists Lancers in the Fall of 1972 at the age of nine (just weeks short of their minimum age of 10). He was a proud member during those years progressing all the way up to First Baritone. Sam along with fellow Baritone Kevin Casquenette even went on to compete in the ODCA Individuals Competition as a duet.

Sam was in fact second generation drum corps following the introduction he received watching his Dad Jack play soprano with Canada's Marching Ambassadors here in Toronto in the 60s. Sam was frequently at their rehearsals long before he was old enough to join a corps himself.

Sam loved drum corps with a passion, (hey he drove to Michigan City Indiana in the middle of the night because he was working and missed going with us on the bus). He also brought the love of his life, his daughter Shannon along on that trip and we clearly saw how devoted a Dad he was up close. The final member of his immediate family who loves drum corps is Sam's Mom Fran who was introduced to us soon after at our Legends II show.

*Sam's daughter, Shannon, walking through the Alumni Honour Guard.*

So this is our salute to that "shy guy" on Third Baritone who rarely had much to say (ya right). We miss you already buddy and we will see you again so make sure you keep your chops in shape.
