The year of 1954 was a most successful one for the Trumpet Band. At Waterloo, the Band won eight firsts out of eight entries in individual performances. During the Kiwanis Festival it won a first; and at Waterloo in the spring, in the Canadian Championship Competition, it took second in the Junior Band competition. Another important award was won in the Cadet Day Parade of the Canadian National Exhibition. Although the Trumpet Band members are juniors, in the Senior Canadian Championships the Band succeeded in winning one second and two third place awards.

The band participated in the Christmas Festival, the Open House, and the Cadet Inspection, as well as taking part in the Grey Cup Parade, the Santa Claus Parade, and the Red Feather Football Tournament.

Under the superb leadership of the Bandmaster, Flt/Lt. D. F. McIntyre, it is hoped that 1955 will be equally successful.
